GRAY CAT ON A TENNESSEE FARM

**Just look to the man who can if he will
Prosper in the valley of the Tennessee hills.**

**Chorus: Big cat spit in the little cat's eye,
Little cat, little cat, don't you cry.
I do love liquor and we'll all take a dram,
I'm gonna tell ya, pretty Polly Ann.**

**Cattle on the pasture, hogs in the pen,
Sheep on the ranch and wheat in the bin**

**Big cat spit in the little cat's eye,
Little cat, little cat, don't you cry.
I do love liquor and we'll all take a dram,
I'm gonna tell ya, pretty Polly Ann.**

**Corn in the crib and porter in the yard,
Meat in the smokehouse, a big tin of lard.**

**Big cat spit in the little cat's eye,
Little cat, little cat, don't you cry.
I do love liquor and we'll all take a dram,
I'm gonna tell ya, pretty Polly Ann.**

**Fruit in the cellar, cheese on the board,
Big sack of coffee and sugar in the gourd.**

**Big cat spit in the little cat's eye,
Little cat, little cat, don't you cry.
I do love liquor and we'll all take a dram,
I'm gonna tell ya, pretty Polly Ann.**

**Horses in the stable and money in his pocket,
Baby's in the cradle and a pretty woman to rock it.**

**Big cat spit in the little cat's eye,
Little cat, little cat, don't you cry.
I do love liquor and we'll all take a dram,
I'm gonna tell ya, pretty Polly Ann.**

**Oh the grey cat spit in the little kitten's eye,
Little cat, little cat don't you cry**
