The old church bell will peal with joy  
 To welcome home our darling boy  
 The village lads and lassies say with roses they will strew the way

Get ready for the jubilee  
 We'll give the hero three times three  
 The laurel wreath is ready now to place upon his loyal brow

Let love and friendship on that day  
 Their choicest treasures then display  
 And let each one perform some part to fill with joy the warrior's heart
