Verse 2

And the flowers I knew, in the fields where they grew
 Were content to be lost in the crowd (in the crowd)
 They were common and close, I had no room for growth
 And I wanted so much to branch out, (to branch out)
 I uprooted myself from home ground and left,
 Took my dreams and I took to the road (to the road)
 When a flower grows wild, it can always survive,
 Wild flowers don't care where they grow (where they grow).

Verse 3

I grew up fast and wild, and I never felt right,
 In a garden so different from me (from me)
 I just never belonged, I just longed to be gone
 So the garden one day set me free (set me free).
 Hitched a ride on the wind and since He was my friend
 I just let Him decide where to go (where to go)
 When a flower grows wild it can always survive
 Wild flowers don't care where they grow (where they grow)
